AMERICA ON TECH

2024 TECH360 SUMMER BOOTCAMP

FOR HIGH SCHOOL STUDENTS IN MIAMI-DADE AND BROWARD COUNTY

ABOUT THE PROGRAM

The TECH360 Summer Bootcamp is an intensive, 3-week program where you will learn how to code through web design and web development. The program will teach industry-aligned technical and professional skills and help you gain knowledge of key coding languages and frameworks including HTML, CSS, and Bootstrap. No prior coding experience required!

YOU ARE ELIGIBLE IF...

☑ You are a current sophomore or junior (15-19 years old) attending a Miami-Dade or Broward County public or public charter high school that meets our Economic Needs Index

☑ You are available for all program dates in the cycle you are applying for

Note: AOT prioritizes students that self-identify as African American / Black, Hispanic / Latinx, women and/or girls, gender non-conforming and/or non-binary and/or agender, LGBTQIA+

PROGRAM DATES
